Professional Clients and Eligible Counterparties Only; Distribution

In accordance with the Wells Fargo EMEA's Standard Terms and Conditions of Business, this communication is for distribution to Eligible Counterparties and Professional Clients (as defined in the Markets in Financial Instruments Directive 2014/65/EU), the FCA Rules, the DFSA Rulebook or any other similar legal persons to whom Wells Fargo EMEA may lawfully communicate) only and is not intended for retail clients or any other private individuals, and must not be distributed to or relied on by persons other than the intended recipient, whom in each and every instance will be a Professional

Client or Eligible Counterparty. This communication may relate to matters that are not regulated by any applicable financial services regulatory body and not subject to protections under any relevant law including protection under any applicable financial services compensation scheme.

To the extent that this communication (and any attachments) has been prepared by Wells Fargo EMEA, it is intended for distribution solely to clients of Wells Fargo EMEA in jurisdictions where such distribution is permitted, and the recipient shall not provide or distribute such materials to any person located in a jurisdiction where it would otherwise trigger a financial services licensing requirement.

This communication has been prepared by Wells Fargo EMEA CIB team members and is not an independent research product produced by the Wells Fargo Research Department.

Indicative Pricing; Informational Purposes Only

Unless otherwise stated, any pricing information provided is indicative only and does not reflect a level where Wells Fargo EMEA (as applicable) is prepared to execute a trade or constitute part of any agreement a recipient may subsequently enter into with Wells Fargo EMEA in respect of any products or services detailed herein. The price or value of an investment will depend on fluctuations in the financial markets outside of anyone's control. Past performance is no indicator of future performance, and this communication is not intended to forecast or predict future events. Prior to dealing, you should determine whether any transactions described in this communication are appropriate for you given your objectives, experience, financial and operational resources, and other relevant circumstances.

Any reference contained in this communication to market colour, economic climate, generic advice, research or other such information communicated or otherwise made available to you are provided merely for your information and are incidental to the provision of other services by us to you. This communication is not based on an assessment of your individual circumstances, nor can this be relied upon as an assessment of the suitability of a transaction for you.

This communication is prepared from information believed to be reliable, however Wells Fargo EMEA makes no representation, warranty or guarantee as to the accuracy or completeness of such information, or as to the tax consequences if any. To the extent permitted by law, Wells Fargo EMEA nor any of their affiliates, nor any directors, employees or agents of Wells Fargo EMEA or any of their affiliates accepts any liability for any loss or damage arising out of the use of all or any part of this communication.

You should assume that Wells Fargo EMEA's trading desks and/or its affiliates makes markets and/or hold positions and may have conducted underwriting or other investment banking activities related to any of the securities or companies referenced herein. Well Fargo EMEA, its affiliates and employees, may purchase, hold (long or short) or sell positions in the underlying securities or related derivatives identified in the communication or the Materials. Wells Fargo EMEA may provide advice or loans to or participate in the underwriting or restructuring of the obligations of, the legal entities mentioned herein. Wells Fargo EMEA maintains appropriate conflicts of interest policies in this respect.

Wells Fargo EMEA or its affiliates may submit prices, rates, estimates or values to data sources that publish indices or benchmarks which may be referenced in products or transactions discussed in this communication. Such submissions may have an impact on the level of the relevant index or benchmark and consequently on the value of the products or transactions. Wells Fargo EMEA maintains appropriate conflicts of interest policies in this respect.

Any securities referenced herein may not have been registered under the U.S. Securities Act of 1933, and, in such case, may not be offered or sold in the United States or to U.S. persons unless they have been registered under such Act, or except in compliance with an exemption from the registration requirements of such Act and / or the Securities Exchange Act of 1934 and applicable state laws. This communication may reference securities and related financial instruments which may be ineligible in certain other jurisdictions or to certain investors and may refer to certain products and services which are unregulated in certain jurisdictions. This communication should not be construed as an offer to sell or the solicitation of an offer to buy any security in any jurisdiction where such an offer or solicitation would be illegal. Any decision to purchase any product or enter into any transaction referred to in this communication should be based upon the information contained in any associated offering document

if one is available (including any risk factors or investment considerations mentioned therein) and/or the terms of any agreement.

In any instance where distribution of this communication is subject to the rules of the US Commodity Futures Trading Commission ("CFTC"), this communication constitutes an invitation to consider entering into a derivatives transaction under U.S. CFTC Regulations §§ 1.71 and 23.605, where applicable, but is not a binding offer to buy/sell any financial instrument. Any recipient that is a "Special Entity" within the meaning of 17 C.F.R. §23.401(c) is hereby notified that this communication (including any attachments) do not, are not intended to and should not be interpreted as an expression of an opinion within the meaning of 17 C.F.R. §23.440 by any person on behalf of Wells Fargo EMEA and its affiliates as to whether such Special Entity should enter into any swap or trading strategy involving a swap.

MiFID Product Governance Notice

Wells Fargo EMEA may act as a (i) manufacturer (or co-manufacturer) for products, and/or (ii) distributor of such products in the primary and secondary markets on an execution-only basis.

- As manufacturer, Wells Fargo EMEA will make appropriate arrangements to assign the target market for such products to ensure appropriate distribution.
- Wells Fargo EMEA will only distribute products to investors who meet the criteria of Eligible Counterparties and Professional Clients, according to Wells Fargo EMEA's internal policies and procedures.
- Wells Fargo EMEA's distribution strategy will be applicable to all products irrespective of those which may have been manufactured to be compatible for retail investors.

If you are a distributor to whom Wells Fargo EMEA sells such products, you are responsible for undertaking your own target market assessment and determining appropriate distribution channels for any onward distribution, taking into account your own specific knowledge of your client base.
