

Statement of information form

Completion of this form will expedite your order and will help protect you.

In searching your title we may encounter judgments, bankruptcies, divorces, and/or income tax liens against persons with the same or similar names to yours. Such matters cloud the title to your property unless eliminated. The information you and the co-borrower provide, can promptly eliminate all matters not directly affecting you or the property being searched, avoid any delay in your transaction, and provide you with the most efficient service possible.
